## Custom Printed Skateboard Decks

Whether you plan a large skateboard collection with various graphics and color rotations, or simply need a stack of shopdecks for your skateshop - we got you covered.

We offer custom printed skateboard decks from a minimum of 25 decks per graphic, but can also support a large demand and special setups like embossed graphics or shiny laser-mirror foils with your design.

You can pick your boards from **2 different Woodshops**, each featuring **3 different shapes** and a size range from 7.0 to 8.75 Inches.

We also offer longboard decks, cruiser boards and oldschool shapes. Visit our website [www.havoc-distribution.com](http://www.havoc-distribution.com) for all boards available.

There are 2 different ways to get your boards, depending on your needs.

With **POD** we keep your transfers in stock. Once you ordered a design, we will have the transfers ready for you to order.

You can place an order for decks anytime, and get the Boards within **2-4 workdays**.

There is **no minimum order**, and you can mix and match any Woodshop, shape and size.

All you need to pay in advance to get going is the setup fee. (180.- Eur)

From there on, you simply pay per printed board.

This way you can place a small order for your designs, and **restock fast** once you need more.

This will help you manage your cashflow, and with time and QTY the price per board lowers.
